

Appliance Delivery & Installation Person

FULL TIME | 40 HOURS PER WEEK | LERWICK, SHETLAND

We are looking for a practical, reliable and customer-focused person to join our team, delivering and installing household appliances and kitchen furniture across Shetland. If you enjoy hands-on work, meeting customers and being part of a busy local team, we would like to hear from you.

What you'll be doing

- Delivering electrical goods to customers throughout Shetland.
- Installing freestanding and built-in appliances, including washing machines, dishwashers, fridges, freezers, ovens and cookers.
- Delivering new kitchen furniture to customers' homes.
- Providing a friendly, professional service when working in customers' homes.
- Receiving and handling incoming deliveries of large appliances and kitchens at our stores.

What we're looking for

- A positive team player who is dependable, practical and willing to use their initiative.
- Good attention to detail and a customer-first approach.
- Confidence with regular manual handling and heavy lifting of large appliances.
- Strong communication, organisation and time-management skills.
- A full, clean driving licence is preferred.
- A forklift licence is preferred.

What we offer

- 31 days' holiday entitlement per year.
- Excellent staff discount.
- Company pension scheme.
- Training and development opportunities.
- A friendly, busy and supportive team environment.
- Opportunity for Saturday overtime.
- Pay dependent on experience.
